

Dear Friend,

We require a Search and Rescue registration for all persons doing ceremony not directly housed on our property.

We are blessed to be surrounded by hundreds of acres of National Forest land in which to commune with nature and do ceremony. We do not anticipate any problems during your time with us, and we always take extra precautions to ensure you are well cared for in every situation. The search and rescue requirement is one such way we ensure a safe and rewarding experience for you.

Below you will find information on the Colorado Outdoor Recreation Search and Rescue card which has a minimal \$3 fee per year.

Please be sure to **purchase your card in enough time to bring your ID number with you** prior to going out on the land.

Purchase a Colorado Outdoor Recreation Search and Rescue (CORSAR) Card

Why Buy a CORSAR Card?

Colorado residents and visitors are well served by dedicated volunteer search and rescue teams, but mission costs are often in the thousands of dollars. By purchasing a CORSAR card you are contributing to the Search and Rescue Fund, which will reimburse these teams for costs incurred in your search and rescue. Funds remaining at the end of the year are used to help pay for training and equipment for these teams. Anyone with a current hunting/fishing license, or boat, snowmobile, ATV registration is already covered by the fund.

The CORSAR Card Is Not Insurance

The card is not insurance and does not reimburse individuals nor does it pay for medical transport. Medical transport includes helicopter flights or ground ambulance. If aircraft are used as a search vehicle, those costs are reimbursed by the fund. If the aircraft becomes a medical transport due to a medical emergency, the medical portion of the transport is not covered.

Purchase Card

The CORSAR cards are available for \$3 for one year and \$12 for five years, and can be purchased at over 300 retailers in the state. You may also purchase cards online. Please visit one of these links:

For the cost of the card, you have helped ensure that trained and well equipped search and rescue teams will respond should you become lost or in need of rescue. Furthermore, volunteers will not have to incur undue expense due to your emergency.
