

Vision Quest

August 6 to August 8, 2010
on the Front Range, near Boulder,
Colorado

We are much greater than we imagine ourselves to be. A Vision Quest is a time proven ceremony designed to deepen your connection with spirit, illuminate your vision of your greatness, and gain the inner strength to achieve it. We'll be on beautiful, sacred land where your experience in nature, with the elements and worlds of Grandmother Earth, will guide you to your *true nature*.

You will gain knowledge from an ancient shamanic tradition, and use it to create your ceremony. The weekend culminates with an evening of ceremony where you'll create a medicine wheel and call the energies of the universe into your circle for the power to look within your shadow and your shining, to confront the fears that keep you from fully engaging with life in your individual and creative way. After a magickal weekend of ceremony, you'll leave the land feeling renewed, and inspired to make change in your life.

Take the time to connect with spirit and feed your soul.

\$225 per person, **\$200 if paid in full by August 1st**

Your payment includes food, medicine gifts for all ceremonies (including Purification Ceremony), land use fee, ceremonial items and mixtures.

Facilitators: Rattlesnake Mystery Lodge

Preparation: No previous experience needed. Each participant is responsible for their own camping gear. Detailed information will be provided upon registration.
